ABOUT US

For over 30 years, Wisdom Playgrounds has been a trusted name in delivering exceptional commercial playground solutions. Based in Navassa, NC, we are dedicated to providing top-tier customer service and high-quality, inclusive play equipment that inspires fun, fosters growth, and serves children of all abilities. Our mission is to help communities create safe, engaging spaces where children can explore, learn, and play together.

What truly sets us apart is our industry-leading Quick Ship program. With a selection of over 80 pre-designed modular structures and a wide range of stocked components, we offer the fastest delivery times in the industry. Most Quick Ship orders are prepared and ready to ship in as little as 3-5 days. For those seeking something more unique, we make it easy to customize your playground by incorporating additional stocked items into your Quick Ship order. This combination of speed and flexibility ensures you get the perfect solution tailored to your community's needs without unnecessary delays.

Our commitment goes beyond fast shipping and innovative designs. We're passionate about creating inclusive play environments that bring joy to children of all abilities while meeting the highest safety and quality standards. Whether you're planning a fully customized playground or need a quick and reliable solution, Wisdom Playgrounds is your trusted partner in building vibrant, imaginative, and durable play spaces.

WISDOM PLAYGROUNDS

3-5 DAYS

Quick Ship

Our Quick Ship items offer an industry-leading 3-5 day turnaround, ensuring you get high-quality playground solutions fast. Perfect for tight project timelines, these pre-designed modular structures are an ideal fit for small to medium play areas, delivering fun and functionality without the wait.

WARNING Installation over a hard surface such as concrete, asphalt, or packed earth may result in serious injury from falls.

In line with international safety standards

SUSTAINABLE & ENVIRONMENTAL PROTECTOR

WISDOM has successively obtained multiple certificates that comply with international standards, such as ISO9001, ISO14001, ISO45001, FSC and China Green Product certification, marking WISDOM's strategic ability and determination to adhere to sustainable development!

Implement the concept of eco and quality, integrate global advanced education concepts into the DNA of WISDOM products with the eyes of the world, and aspire to provide green, eco, and high-quality products for children around the world. Help children explore the world with peace of mind and experience a beautiful and happy childhood!

ISO9001 ISO14001 ISO45001 · FSC · 中国绿色产品 · TÜV SÜD · BBB ACCREDITED BUSINESS

Green KINDERGARTENS

LEADER IN HEALTH & SAFETY

At Wisdom Playgrounds, safety, quality, and child development are at the core of everything we do. We recognize that children's bodies are still growing and are especially vulnerable to harmful substances, which is why we maintain strict standards for the chemical content of every material used in our playground equipment. Our commitment goes beyond safety—we design our products to create secure, engaging environments where kids can play naturally, stay active, and thrive.

Our structures are built to handle high-traffic spaces like kindergartens and daycares, while prioritizing thoughtful design to minimize collision risks and other potential hazards. By addressing both the physical and emotional well-being of children, we create play areas that support holistic development.

At Wisdom Playgrounds, we believe children are the hope and future of our world. That's why we are dedicated to providing safe, green, and innovative learning environments where they can grow and explore with confidence. For over 30 years, this has been our guiding principle—and we look forward to continuing this mission for many years to come. Together, let's create brighter futures for every child.

PHYSICAL SAFETY

CHEMICAL SAFETY

STRUCTURAL SAFETY

WARNING Installation over a hard surface such as concrete, asphalt, or packed earth may result in serious injury from falls.

THE MAKING OF A WISDOM PLAYGROUND SYSTEMS

Quality you can see, value you can measure

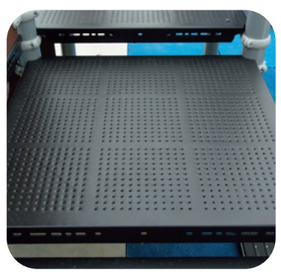

ROTOMOLDED PROCESS

1: Quality materials: Selected high-grade LLDPE raw materials, linear low density polyethylene, impact resistance, cracking resistance, heat/cold resistance, acid, alkali and organic solvent resistance, etc., perfectly adapted to various harsh outdoor environments.
2: Flexible design: not limited by size/pattern/color/thickness, designers can freely play and easily meet ideal expectations.
3: Eco & Safety: one-time molding, no scraps, no waste, non-toxic and odorless.

CLAMP ASSEMBLY

1: Clamp design: abandon the common phenomenon of only screw fixing, which is prone to loosening and shaking over time. The clamp design is stable and firm.
2: High quality metal: strong stability, burst resistance, cracking resistance, rusty resistance and fine polished, no corners or sharp edges, ensure safety in daily use.
3: Convenient assembly: "One loop, one clamp" closed-loop fastening. Simple assembly, convenient maintenance.

DECK/STAIRS

1: Selected Metal: High strength cold rolled steel flat, structurally and mechanically stable, corrosion-resistant, weather resistant, safe and eco, suitable for outdoor use.
2: PVC coating: After professional technical treatment such as gluing, preheating, PVC coating, and high-temperature curing, the steel deck has improved its anti slip, anti wear, anti static, and anti crack properties, making it new over time.

QUALITY POWDER COATING

1: High-end technology: To avoid problems such as rust and aging of steel tubes, we use high-end hot dip galvanizing technology combined with high-quality outdoor powder coating to extend the service life!
2: Craftsmanship process: Galvanized tubes require a total of 13 processes, including water washing, oil removal/impurity removal, and electrostatic spraying. Ensure smooth and flat surface, rust and corrosion resistance, and long-term durability.

LIFE-TIME WARRANTY

1: Excellent quality: All equipment materials are specially selected, sturdy, safe, eco, and durable.
2: Long-term warranty: Up to 15-100 years warranty on main structure against structural failure due to material or manufacturing defects.

PROFESSIONAL WELDING

1: Mature craftsmanship: Senior craftsman meticulously works, with even welding joints and careful polishing, with no burrs, incomplete penetration, or porosity overall.
2: Safety first: The welding joints are stable, firm, and smooth, strictly ensuring product safety.

TUBULAR POST

1: Thickening material: fabricated of 3.5 in. outside diameter, 13 gauge galvanized steel tubing, making it more secure and safe.
2: Two mount types: Inground mount and surface mount as needed.

WARNING Installation over a hard surface such as concrete, asphalt, or packed earth may result in serious injury from falls.

Quick Ship

At Wisdom Playgrounds, we take pride in setting ourselves apart with our industry-leading Quick Ship options, designed to get your playground up and running faster than ever. While many suppliers take weeks or even months to deliver, we offer high-quality playground equipment that ships in just 3-5 days after your order is placed. This means you can meet tight deadlines without the frustration of long wait times.

What truly makes our Quick Ship program exceptional is that we don't sacrifice quality for speed. Unlike competitors, we uphold the highest standards of craftsmanship, using durable materials and precision engineering to ensure every structure is built for long-term performance, safety, and fun. Whether you're outfitting a new park, upgrading an existing play area, or meeting an urgent project deadline, our Quick Ship selection provides the perfect blend of efficiency and reliability.

And don't forget—you're not limited to just Quick Ship structures! You can mix and match with complementary elements like WiseQUBES, swings, and climbers to create a fully customized, engaging play environment tailored to your space and community needs. With Wisdom Playgrounds, getting a high-quality, personalized playground has never been easier or faster!

WisePLAY
Quick Ship

WisePLAY Quick Ship playgrounds are the perfect solution for quickly enhancing your facility with high-quality, activity-packed play spaces. True to their name, these playgrounds can arrive on-site within just 3-5 days, making them ideal when time is of the essence.

Designed for small to medium spaces, WisePLAY Quick Ship structures keep purchasing and shipping costs lower than the competition. Built with 3.5" posts instead of 5" posts, they're lighter, more versatile, and easy to install while maintaining durability and safety.

Each playground offers a choice of primary or natural color palettes, giving you flexibility without sacrificing quality. With WisePLAY Quick Ship, you get a reliable, engaging playground delivered fast and efficiently—ready for endless fun!

WisePLAY Inclusive Quick Ship

WisePLAY Inclusive Quick Ship playgrounds are designed to create a welcoming space where children and caregivers of all abilities can play, connect, and explore—without barriers or limitations. Thoughtfully crafted with inclusivity in mind, these playgrounds provide opportunities for shared experiences that bring people together in a safe and supportive environment.

Built with durable 3.5” galvanized steel posts, WisePLAY structures offer exceptional strength and versatility while maintaining a lighter design that makes installation easier and more efficient. Engineered for lasting performance, they stand up to years of joyful play, giving you peace of mind when it comes to durability and safety.

Whether you’re working on a tight schedule or need a quick solution, WisePLAY Inclusive Quick Ship playgrounds arrive on-site in as little as 3-5 days. Designed to fit a variety of spaces, they ensure that playtime remains accessible, engaging, and barrier-free for children and caregivers alike.
With WisePLAY, every child gets the chance to play, discover, and thrive—together.

WiseTOT
Quick Ship

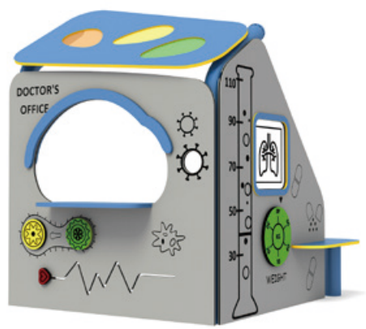

Need a playful upgrade in a pinch? WiseTOT Quick Ship playgrounds are the ultimate solution for creating vibrant, engaging play spaces on a tight timeline. Designed especially for toddlers, these structures bring colorful excitement and imaginative fun to every corner of your facility—ready to ship and install in no time!

The WiseTOT series is all about exploration and growth. With playful designs that spark curiosity, each structure incorporates sensory-rich activities that encourage little ones to see, hear, touch, and move. Sensory processing is key to developing fine motor skills, emotional regulation, and healthy habits that help children learn to identify and manage their feelings—skills that last a lifetime.

Built to endure years of joyful play, WiseTOT playgrounds are packed with shapes, colors, and interactive moving parts to keep curious minds and active bodies engaged. From spinning wheels to bright textures, every detail stimulates creativity and promotes healthy development while delivering endless fun.
Bring big smiles and endless adventures to your little explorers with WiseTOT Quick Ship—a playful solution that's as durable, exciting, and fast as it gets!

WiseNEX
Quick Ship

Many playgrounds fall short—lacking the challenges kids need to stay engaged and active. That's where WiseNEX Quick Ship playgrounds come in! Perfect for communities seeking adventurous, physically challenging play, WiseNEX structures combine imaginative design with exciting activities.

With a dynamic mix of climbing, hanging, and balance sections, these playgrounds encourage kids to test their strength, coordination, and problem-solving skills. From scaling ropes to mastering tricky balance challenges, every element builds muscular endurance, body awareness, and sensory processing while keeping kids entertained.

For communities ready to inspire kids to move, grow, and play smarter and harder, WiseNEX Quick Ship delivers. Fast shipping, endless fun, and a whole lot of movement. Let the adventure begin!

WiseFREE
Quick Ship

Many playgrounds leave empty spaces that lack purpose, flow, or excitement. Wisdom's WiseFREE Freestanding items are the perfect solution to fill in gaps, connect separate play areas, or create entirely new play zones with ease. Featuring swing sets, slides, qubes, and more, these versatile pieces can be used on their own or combined with existing playgrounds to design a cohesive, unique, and engaging play environment.

Ideal for schools, multi-family housing, parks, and other organizations, WiseFREE items deliver quality, creativity, and functionality without the wait. Standard delivery is just 3-5 days from the time you order, making them a fast and efficient option to enhance your facility on a tight schedule.

With ADA-compliant options available, these freestanding pieces ensure inclusive play for everyone while adding flexibility and flow to any playground. Whether you're creating a new area or expanding an existing space, WiseFREE Freestanding items offer a simple, impactful solution that brings play to life—quickly and seamlessly.

WiseSITE
Quick Ship

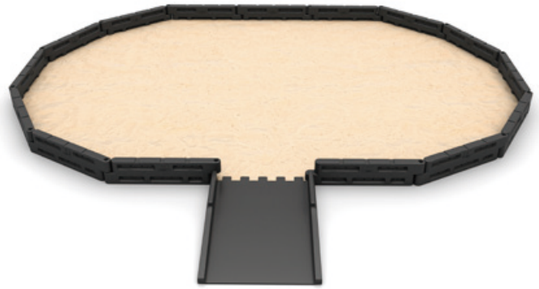

Many playgrounds lack key elements that turn spaces from ordinary to functional and enjoyable. WiseSITE Quick Ship site furnishings are designed to address these gaps, offering practical and purposeful items often overlooked but essential to a complete playground.

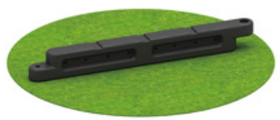

From inclusive picnic tables and seating to waste bins, bike racks, and timbers, WiseSITE products enhance playgrounds by providing comfort, accessibility, and functionality for children, caregivers, and the community. Delivered in just 3-5 days, they're ideal for schools, parks, multi-family housing, and more.

Pair WiseSITE Quick Ship items with Quick Ship playgrounds and WiseFREE freestanding items to create cohesive, purpose-driven spaces that meet all needs. Solve the common issue of missing site furnishings with WiseSITE—because a complete playground is about more than just play structures.

WiseTower

The WiseTower series offers two immersive and engaging themes—Ocean and Forest—each designed to spark imagination and encourage active play in young children. These thoughtfully crafted environments bring the beauty and excitement of nature to life, creating a dynamic and stimulating space where children can explore, climb, and develop essential physical and cognitive skills.

At the heart of these playgrounds is a 3D multi-layer vertical climbing structure, carefully designed to maximize play value while maintaining a compact footprint. By incorporating distinct thematic elements and a variety of climbing challenges, these structures provide endless opportunities for movement, coordination, and strength-building. The integration of peripheral wooden barriers enhances the aesthetic appeal while ensuring safety, reinforcing a natural and eco-friendly design that blends seamlessly with outdoor environments.

WiseTOT

Designed with toddlers' development in mind, the WiseTOT series creates vibrant, engaging play environments where young children can explore, grow, and thrive. These colorful and playful structures encourage curiosity and discovery, offering endless opportunities to engage their senses and spark imagination.

The WiseTOT series focuses on sensory experiences that are essential for early childhood development. By stimulating sight, sound, and touch, these playgrounds help foster fine motor skills, mood regulation, and emotional awareness—key building blocks for identifying and managing emotions in healthy ways.

Built to withstand the test of time, WiseTOT structures are filled with dynamic shapes, interactive elements, and vibrant colors that captivate young minds and keep them active. Whether climbing, touching, or exploring, children will find endless fun in these thoughtfully designed spaces, making every visit a new adventure in play and learning.

093 WiseTOT - Imagination City

WiseTOT
Lean On Me Series

The WiseTOT Lean On Me Series was developed to let children release their passion for adventure in a safe environment and cultivate the learning ability to not be afraid of challenges. WiseTOT Imagination City playgrounds are part of the Lean On Me series, which integrates equipment that will keep the imagination going, along with special sensory integration that helps promote the balanced development of children's gross motor abilities and overall sensory abilities.

Imagination City provides the smaller children an option to explore their surroundings more autonomously and with interesting activities. Featuring sensory elements like sight, sound and touch, keeps their minds and bodies engaged. WiseTOT structures are loaded with shapes, colors, and moving parts to provide endless amounts of entertainment. Wisdom's variety of activities comprehensively develop children's different abilities.

WisePLAY
Inclusive

All-inclusive playgrounds are accessible, but not all accessible playgrounds are inclusive. At Wisdom Playgrounds we understand that we are not just designing our structures for the children. We know it takes a village to raise a child, which is why we always accommodate the parents and caregivers of various abilities that utilize our equipment. Following some fundamental principals, an inclusive playground will ensure that everyone can access the best play activities on the playground.

A crucial element to making an inclusive playground work for everyone is co-locating various kinds of the same type of activity so that someone who may have physical abilities can enjoy the same activity as the person close to them on a similar but perhaps more challenging activity. At Wisdom, we can all play together.

WisePLAY Inclusive playgrounds are artistically crafted with 3.5” OD galvanized steel support posts which allows the structure to be lighter, and more versatile. Without sacrificing features such as safety or durability, we accommodate getting you a high quality playgrounds packed full of activities.

WisePLAY
Custom

Please change to: WisePLAY Custom playgrounds provide a versatile and space-efficient solution for organizations seeking a high-quality play environment with a slightly smaller footprint than traditional structures. Designed to meet the unique needs of parks, schools, municipalities, and other recreational facilities, WisePLAY Custom structures offer the added benefit of full customization, allowing clients to tailor their playgrounds to fit specific site dimensions, design preferences, and play requirements.

Each custom structure is engineered with precision and durability in mind, utilizing 3.5" steel posts in place of standard 5" posts. This strategic design choice results in a lighter, more adaptable framework without compromising the structural integrity, safety, or longevity of the equipment. The reduced overall weight of these structures not only simplifies installation but also contributes to cost efficiency in both purchasing and freight logistics.

WisePLAY
Theme

WisePLAY Theme offers themed play components that bring children's most imaginative fantasies to life. From pirate ships to tree houses and castles, these structures transport children to exciting, far-off places. Designed for endless fun, WisePLAY Theme structures feature large supports, spacious platforms, and a vibrant array of colors, making them a perfect addition to parks, schools, and communities. Crafted from time-tested materials and combined with expert craftsmanship, this equipment is built to last and requires minimal maintenance. The 3.5" posts used in WisePLAY Theme structures provide a lighter, more versatile design without compromising safety or durability, ensuring you get a high-quality playground packed with engaging activities.

WiseMAX

WiseMAX systems take play to the next level with robust 5" posts, offering superior strength and stability compared to standard 3.5" posts. This enhanced design ensures these systems can handle high volumes of enthusiastic users, maintaining the excitement and energy that keeps the flow of play alive.

Crafted with precision using time-tested, reliable materials and expert craftsmanship, WiseMAX equipment is built to last. The durable construction not only minimizes maintenance needs over time but also guarantees that your play space remains a safe, inviting, and vibrant hub for children's development and exploration. With WiseMAX, you're investing in a play system that's as enduring as the joy it brings!

WiseMAX
Inclusive

All-inclusive playgrounds are accessible, but not all accessible playgrounds are inclusive. At Wisdom Playgrounds we understand that we are not just designing our structures for the children. We know it takes a village to raise a child, which is why we always accommodate the parents and caregivers of various abilities that utilize our equipment. Following some fundamental principals, an inclusive playground will ensure that everyone can access the best play activities on the playground.

A crucial element to making an inclusive playground work for everyone is co-locating various kinds of the same type of activity so that someone who may have limited physical abilities can enjoy the same activity as the person close to them on a similar but perhaps more challenging activity. At Wisdom, we can all play together.

WiseMAX Inclusive playgrounds are artistically crafted with 5” OD galvanized steel support posts. Without sacrificing features such as safety or durability, we accommodate getting you a high quality playgrounds packed full of activities.

WiseMAX
Custom

WiseMAX systems are engineered for superior strength and durability, featuring robust 5" posts instead of the standard 3.5" posts. This enhanced structural design allows the system to accommodate higher user volumes while maintaining a free-flowing, engaging play experience that fosters excitement and enthusiasm.

Every component is crafted using time-tested, high-quality materials that have been carefully sourced to ensure maximum reliability. Combined with the skilled craftsmanship at our manufacturing facility, this results in playground equipment that is not only exceptionally durable but also requires minimal maintenance over time. The result is a play space that remains vibrant, welcoming, and full of joy—encouraging endless opportunities for adventure and fun.

WiseMAX
Theme

WiseMAX Theme uses themed based play components that give you the opportunity to create playgrounds that mimic components from children's wildest dreams. Our pirate ships, Tree Houses, and Castles transport children to far away lands. Designed with many components for long-lasting fun. With their large supports, broad platforms, and wide array of colors any of the WisePLAY Theme components are a great addition to parks, schools, and communities.

The time tested materials sourced form and combined with the skilled craftsmanship at the factory, this equipment is durable and requires less maintenance over time.
WiseMAX Theme structures are built with 5" posts, which means they can handle end-user volumes without constricting the excitement and enthusiasm found in the flow of play. The time-tested reliability of the materials sourced for and combined with the skilled craftsmanship at the factory, produces equipment that is durable and requires less maintenance over time, so that your play space remains fun, inviting and open to the public

WiseFIT

Transform your community space with the WiseFIT series—designed to deliver the perfect blend of fun and physical challenge. This versatile collection offers an exciting variety of climbers, hanging elements, balance challenges, and slides that can be arranged individually or combined to create dynamic, imaginative play areas.

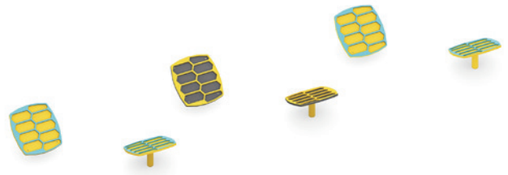

Beyond the thrill of play, WiseFIT structures promote essential developmental skills like coordination, focus, body awareness, muscular endurance, sensory integration, and controlled movement. With WiseFIT, you're not just building playgrounds—you're fostering growth, adventure, and endless possibilities for kids of all abilities.

WiseWORX

Looking to add a physically challenging play structure to your community? The WiseWORX series is the perfect solution! Packed with innovative designs, this series brings exciting new ways to elevate your play space.

At the heart of WiseWORX is our groundbreaking WiseNEX system, featuring dynamic nets and ropes that encourage climbing, balancing, and creative exploration. Complementing this is our new WiseSPHERE equipment—versatile dome-shaped structures that not only enhance the look of any play area but also expand its functionality.
Additionally, our captivating hexagon-shaped WiseQUBES offer greater variety in size and integration, opening up endless opportunities for creative configurations.

Beyond fun, these structures are designed to promote essential developmental skills, including coordination, focus, muscular endurance, sensory processing, and controlled movement. With WiseWORX, you're creating more than a play area—you're building a foundation for growth and adventure!

NatureWISE

The NatureWISE series draws inspiration from the endless wonders of the natural world, bringing a touch of the outdoors to every play space. This collection features timeless wooden structures that offer the beloved "classic" playground look, blending seamlessly into any environment and enhancing the charm of your play area.

By combining the adventure and excitement of nature with the unmatched durability, safety, and low-maintenance features of high-quality play equipment, NatureWISE delivers the perfect harmony of style and functionality. These designs create an inviting space for endless hours of imaginative play, fostering creativity and exploration while standing the test of time.

245 NatureCHALLENGE
251 NatureMAX Theme

NaturePLAY
Theme

NaturePLAY features storybook like woodland elements, that encourage children to use their imaginations for outdoor play. This offers children the ability to transport to their own magical forests full of adventures. NaturePLAY structures are built with 4" square posts, which allows the structure to be lighter, and more versatile.

The NaturePLAY series is the perfect solution for any community that is in need of a more physically challenging play structure, with a variety of nature-themed elements, that can also be customized.

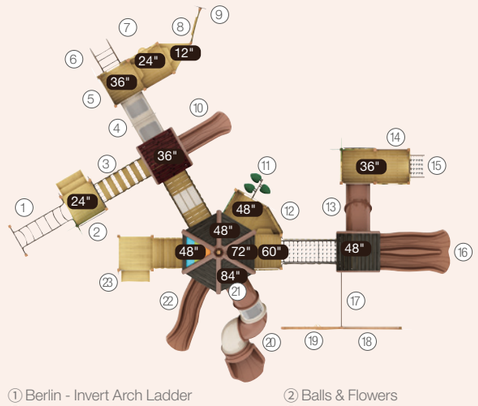

All NatureWISE structures use high-end solid quality wood, which has its own anti-corrosion properties making it a strong and solid option, with quality guaranteed.

NatureCHALLENGE

Wisdom's NatureCHALLENGE series is the perfect solution for any community that is in need of a more physically challenging play structure, with a variety of nature-themed elements, that can also be customized.

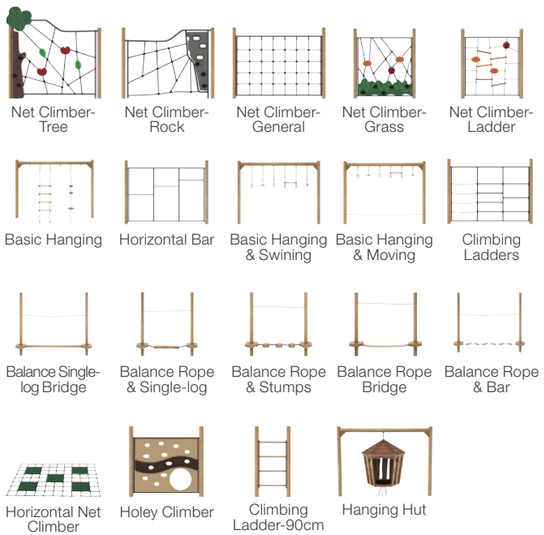

The NatureCHALLENGE series integrates large-scale comprehensive equipment and a elements of sensory play that help children to develop their physical abilities. This supports children to explore their surroundings more autonomously while using a wide range of activities. It also promotes the development of children's gross motor abilities and sensory processing.

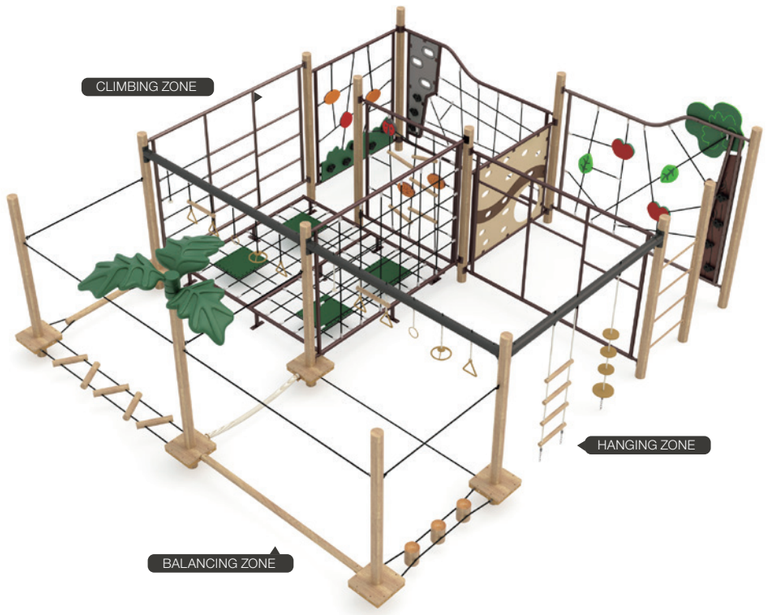

All NatureWISE structures use high-end wood, which has its own anti-corrosion properties making it a strong and solid option with quality guaranteed. Wisdom's NatureWISE Series promotes the development of multiple skills in children through physical exercise.

Fall Height: 24”
Use Zone: 23’×27’

THREE SECTION DESIGN-PROW & HULL & STERN

NatureMAX
Theme

The NatureMAX Theme is designed for all elements of fun. Climbers, slides, and movable elements paired with multiple themes provide endless options for entertainment. Wood style elements make these sets stand out in any environment, with a variety of nature-themed elements, you can customize.

The NatureMAX series supports children in exploring their surroundings more autonomously while using a wide range of activities. It also promotes the development of multiple skills in children through physical exercise.

All NatureMAX structures use high-end wood, which has its own anti-corrosion properties making it a solid and strong option. Wisdom's NatureMAX series promotes the development of multiple physical qualities of children through physical exercise. NatureMAX structures are built with 5" posts which allows the structure to be sturdy with more versatility.

WARNING Installation over a hard surface such as concrete, asphalt, or packed earth may result in serious injury from falls.

Limited Warranty

Wisdom Playgrounds Inc. warrants its products against structural failure due to defects in materials and workmanship for the warranty periods and material categories prescribed below

LIMITED WARRANTY FOR AS LONG AS YOU OWN THE PRODUCT: Steel deck support posts, stainless steel hardware, clamps, deck hangers, post caps, and cast aluminum parts, except as otherwise specified below.

Basic Clause:

Lifetime Limited Warranty on all aluminum posts, stainless steel fasteners, clamps, beams and caps against structural failure due to corrosion/natural deterioration or manufacturing defects, and on steel posts against structural failure due to material or manufacturing defects.

Lifetime Warranty

Wisdom Playgrounds offers a lifetime warranty on all hot-dipped galvanized or stainless steel parts and highdensity polyethelene (HDPE) panels.

15-Year Limited Warranty

On all steel arches, robinia and erythrophleum wood parts, high-pressure laminate (HPL) parts, all plastic components (including edging), all aluminum and steel components not covered above, climbers, outdoor musical instruments, decks and coatings (except Wiggle Ladders, Chain Ladders, and Swing Chain) against structural failure due to material or manufacturing defects.

10-Year Limited Warranty

On concrete products against structural failure due to natural deterioration or manufacturing defects. Does not cover minor chips, hairline cracks or efflorescence. Pre-galvanzied posts with painted top layer, painted surface on galvanized or aluminum metal parts, electrogalvanized metal, molded PP decks, solid or hollow plastic parts, transparent polycarbonate types, (PC) parts, wood-plastic composite (WPC) parts, larch, pine and other wood types, rope and net constructions.

8-Year Limited Warranty

On climbers and climbing cables against defects in materials or manufacturing defects.

5-Year Limited Warranty

Cable Connections, cables and mallets against defects in materials or manufacturing defects, on polycarbonate panels against defects in materials or manufacturing defects, and on bamboo panels against delamination due to defects in materials or manufacturing defects, and PVC coating against cracking or peeling. Resincoated plywood parts, springs and ball-bearing assemblies, graphic pring on PC panels, concrete parts. Does not cover damage that may be associated with the natural characteristics of bamboo aging, including but not limited to; discoloration, splitting, cracking, warping or twisting, nor the formation of algae, mold and other forms of fungal-type bodies on bamboo.

Our 5-year warranty on shades encompasses protection against any manufacturer defect or malfunctions that may arise during the specified period including shade structure moving parts, cables and materials not specifically listed elsewhere.

3-Year Limited Warranty

On all moving parts i.e.: all swing seats and hangers, mobius climber handholds, Wiggle Ladders, Chain Ladders and Swing Chain, trolleys and bumpers, Coil Spring, including gliders, belting material, resistance mechanisms, Seesaws, etc., against failure due to corrosion/natural deterioration or manufacturing defects.

2-Year limited Warranty

On all moving plastic or metal parts, rubber membranes, sunshade or sail solutions not falling into the category above.

WARNING Installation over a hard surface such as concrete, asphalt, or packed earth may result in serious injury from falls.

Special Clause:

The environment near a saltwater coast can be extremely corrosive. Some corrosion and/or deterioration is considered "normal wear" in this environment. Product installed within 500 yards (457 meters) of a saltwater shoreline will only be covered for half the period of the standard product warranty, up to a maximum of five years, for defects caused by corrosion. Products installed in direct contact with saltwater or that are subjected to salt spray are not covered by the standard warranty for any defects caused by corrosion.

This warranty does not include any cosmetic issues or wear and tear from normal use of the product, or misuse or abuse of the product. It is valid only if the play structures and/or equipment are erected to conform with the Wisdom Playgrounds installation instructionand maintained according to the maintenance procedures furnished by Wisdom Playgrounds Inc.

Natural Wood Items:

Please note that all natural wooden components of our playgrounds, except those explicitly described above, are not covered under this warranty. Wood is a natural material, and as such, it is subject to natural behaviors such as twisting, cracking, splintering, and other changes in appearance or structure due to varying environmental conditions, including dryness and moisture. These changes are part of the uncontrollable nature of wood and do not affect the integrity or safety of the structure. Therefore, such occurrences are not considered defects and are excluded from coverage under this warranty.

Please be advised that all natural wood components of our playground structures, unless explicitly stated in this document, are excluded from warranty coverage. Wood, as a natural material, is inherently susceptible to a range of environmental factors that may cause alterations in its physical properties. These alterations may include, but are not limited to, twisting, cracking, splintering, and changes in appearance or structure resulting from exposure to moisture, dryness, and other atmospheric conditions. These natural processes are not indicative of material defects and do not compromise the overall structural integrity or safety of the equipment. It is important to note that these inherent characteristics of wood are uncontrollable and cannot be mitigated by standard manufacturing practices. As such, these conditions shall not be deemed as defects or faults, and therefore are excluded from warranty coverage. For a comprehensive explanation of warranty coverage, including the treatment of wood materials in conjunction with steel components, please refer to our full warranty documentation. The warranty for items incorporating both wood and steel may differ and is subject to additional terms and conditions specific to each material's interaction.

BUYER REMEDY:

If any products prove defective or non-conforming under normal use and within the above-prescribed warranty periods and material categories, Buyer must promptly notify Wisdom Playgrounds Inc. in writing at 2140 S Dupont Highway, Camden City, Kent, Delaware 19934. Wisdom Playgrounds Inc. may elect to inspect the alleged defect at the Buyer site or at the Wisdom Playgrounds facility. Buyer shall not return products to Wisdom Playgrounds Inc. unless authorized by Wisdom Playgrounds Inc. to do so. Authorized returns must be properly packaged and shipped prepaid and insured, at Buyer expense. Upon verification of warranty coverage, Wisdom Playgrounds Inc. may elect, in its sole discretion, to repair defective or non-conforming products, or replace them by delivering products or parts free of charge to the site. Wisdom Playgrounds Inc.'s limited warranties do not cover the cost of labor to remove defective or nonconforming parts or to install repaired or replacement parts. By use of these limited warranties, Buyer accepts their terms and limitations, and waives any rights it would otherwise have to claim or assert that such warranties fail of their essential purpose. Buyer agrees that venue for any court action to enforce these limited warranties shall be in the State of Delaware.

LIMITATIONS:

All warranty periods begin on the date of Wisdom Playgrounds Inc. invoice. Repaired and/or replacement parts are warranted only for the balance of the original limited warranty period. Warranties extend only to the original Buyer/end user for products purchased from Wisdom Playgrounds Inc. or a Wisdom Playgrounds Inc. authorized reseller, and are not transferable. Warranties apply only to Wisdom Playgrounds Inc. products that are erected and installed in conformance with Wisdom Playgrounds Inc. installation instructions, and that are maintained and inspected in conformance with Wisdom Playgrounds Inc. maintenance and operational instructions.

Warranties specifically do not cover Wisdom Playgrounds Inc. products:

- for cosmetic damage or flaws occurring under normal use, such as surface scratches, minor chips, hairline cracks, dents, marring, efflorescence, color fade, discoloration, corrosion/rust, fraying, or warping of recycled plastic lumber;
- that have been modified, altered, or repaired by unauthorized third parties;
- that have not been used as designed or intended, or misused;
- to which non- Wisdom Playgrounds Inc. parts have been added or substituted;
- that have been removed from their original location and re-installed elsewhere;
- for changes in appearance of natural materials over time or cosmetic defects such as checks or splits in timber components;
- or that have been damaged due to excessive wear and tear, vandalism, abnormal use, abuse, negligence, environmental factors (such as wind-blown sand, salt spray, or airborne emissions from industrial sources), extreme weather (such as hail, flooding, lightning, tornados, sandstorms, earthquakes, or wind storms), and acts of God.

Wisdom Playgrounds Inc. does not warrant that any particular color will be available for any specific period of time, and reserves the right, in its sole discretion, to discontinue any color for any reason.

THE FOREGOING LIMITED WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY FOR SELLERS'PRODUCTS, AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, IN LAW OR IN FACT. SELLER SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE, AND ANY IMPLIED WARRANTIES ARISING OUT OF COURSE OF DEALING OR PERFORMANCE OR TRADE USAGE. SELLER SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES, OR ANY LOSS OF REVENUE, PROFIT, OR USE ARISING OUT OF A BREACH OF THIS WARRANTY OR IN CONNECTION WITH THE SALE, INSTALLATION, MAINTENANCE, USE, OPERATION, OR REPAIR OF ANY PRODUCT. IN NO EVENT WILL SELLER BE LIABLE FOR ANY AMOUNT GREATER THAN THE PURCHASE PRICE OF A DEFECTIVE PART.

ISO 9001/ISO 14001

Industry certification processes issued by the International. Organization for Standardization. ISO 9001 is used to measure,manufacturing standards and to certify company compliance with quality management systems covering design, development, production, installation, inspection and testing. ISO 14001 also known as the green certification, specifies the requirements of an environmental management system (EMS). An EMS is a systemic approach to handling environmental issues within an organization. Wisdom Playgrounds is ISO 9001 and ISO 14001 certified.

ASTM

ASTM International is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM's F15.29 committee met regularly for over a decade in the continual development of the F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use. The original standard, F1487-93 was published in 1993 and subsequently replaced by the current version F1487-17. Published February 2017. Throughout this catalog we state ASTM Use Zones in dimensional form per the ASTM F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use, which are minimum dimensions. Consideration should be given to the number of users and their circulation patterns.

IPEMA

Playground Equipment Manufacturers Association (IPEMA) provides a Third Party Certification Service whereby a designated independent laboratory, TUV America, validates an equipment manufacturer's certification of conformance to ASTM F1487-17, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 7.1.1, 10 & 12.6.1; to CAN/CSA Z614, Children's Playspaces and Equipment, except clauses 9.8, 10 &11, or both. The use of the corresponding logo in Wisdom Playgrounds's catalog signifies that Wisdom Playgrounds has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms to the requirements of the indicated standard. Check the IPEMA website, www.ipema.org, to confirm product validation.

CPSC

The Consumer Product Safety Commission is an independent agency within the United States Federal Government with the authority to inform the public of current product safety performance information and recommended practices. The CPSC first published their guidelines for public playgrounds in 1981 and have updated their publication several times since then. The current CPSC Handbook for Public Playground Safety, publication #325, is an excellent guide for owners and operators of public play environments.

CSA

The Canadian Standards Association is an independent and renowned developer of technical standards utilized in evaluating a multitude of products. The CSA standard on Children's Playspaces and Equipment 1990 edition was revised in March, 2020 and is now officially CAN/CSA-Z614:20, entitled Children's Playground Equipment and Surfacing. The CSA standard is significantly harmonized with the ASTM F1487-11 standard.

TÜV America

Product Service, an international testing and certification organization is a European Union Notified and Competent Body providing services which include product testing and certification. The highly visible TÜV-Mark demonstrates to customers that safety testing and certification has been completed by an independent third-party organization. The "S" pictogram combined with the statements "Safety tested", "EN 1176" and "Production monitored" indicate that these products have passed a comprehensive testing procedure based upon the European Harmonized Standard for Commercial Playground Equipment, EN 1176 and that the Wisdom Playgrounds production plant is regularly monitored by TÜV. Contact your international Wisdom Playgrounds distributor for complete EN 1176 compliance details.
