WISDOM
PLAYGROUNDS

EARLY CHILDHOOD
PLAYGROUND EQUIPMENT

PROMOTING CHILDREN'S PHYSICAL AND INTELLECTUAL DEVELOPMENT THROUGH ACTIVITY!

ABOUT US

At Wisdom Playgrounds, our business philosophy is simple. We promote children's physical and intellectual development through activity while continuously being dedicated to creating high quality, safe, durable, and environmentally friendly places for communities to come together and explore a healthy lifestyle full of activity.

WISDOM continues to focus on providing unique designs and innovative concepts with a wide variety of Quick Ship options. What sets WISDOM apart in the Quick Ship industry for playground equipment? Our ability to warehouse by component means we can produce our WisePLAY 3.5" Quick Ship pre-design modular structures in 3-5 days. This allows our customers the ability, not only to pick from one of our 75 pre-designed units, but also semi-custom design their own from our large array of stock offering all at a reasonable price. We offer the fastest delivery option you can find in the industry for commercial playground equipment.

We are proud to be one of the first in the industry to offer a fully Inclusive playground system with two different Quick Ship options. Our WisePLAY 3.5" system allows for us to keep our warehouses fully stocked with entire inventory product lines, so we are ready to ship and deliver to you in 3-5 days. With a modern warehousing & logistics center in Wilmington, North Carolina, we are ready to provide top-notch services and out of this world fast delivery.

Quick Ship

3-5 DAYS

Great solution for tight time lines when your playground needs to provide a variety of activities in small or medium space.

Quick Ship

WISDOM PLAYGROUNDS offers a wide variety of Quick Ship options to make any project a little faster, without jeopardizing the quality of the product to do so. When ordering a Quick Ship item, the standard delivery time is 3-5 days from the time the order is placed.

Wisdom Playgrounds is an industry leader in providing a quick solution to delivering playgrounds fast and efficiently. We understand that there is a need for playgrounds to be offered at a reasonable cost in order to be a part of the greater solution to keeping children and adults active and living a healthy lifestyle full of activity. We are proud to offer equipment that is environmentally safe, along with high quality and durability.

41 WisePLAY Quick Ship

WisePLAY
Quick Ship

WisePLAY Quick Ship playgrounds are a great solution for anyone that needs to enhance their facility with quality play space and needs to do so quickly. As the name suggests, QuickShip playgrounds can be on-site in a very short time frame. Quick Ship playgrounds provide a variety of activities in a small or medium-sized space. With the weight and size of these structures being smaller, it keeps the cost of purchasing the structure down, as well as the overall shipping costs.

WisePLAY structures are built with 3.5" posts instead of 5" posts, which allows the structure to be lighter, and more versatile. Every playground in the Quick Ship section has the options of either a Primary color palette, or a Nature color palette. Without sacrificing features such as safety or durability, we accommodate getting you a high quality playgrounds packed full of activities in a QUICK AND TIMELY manner.

WiseTOT
Quick Ship

WiseTOT Quick Ship playgrounds are a great solution for anyone that needs to enhance their facility with quality play space and needs to do so quickly. As the name suggests, WiseTOT Quick Ships can be on-site in as little as 3-5 days. The WiseTOT series was developed with the little ones in mind. WiseTot's colorful and playful designs encourage children to explore all elements of play that are incorporated in these structures. Sensory processing plays a crucial role in the development of fine motor skills and mood regulation, which are necessary skills for children to help identify and manage their emotions in appropriate ways. Wisdom's WiseTOT series are built to last and be a place where tots can explore and have fun! Featuring sensory elements like sight to sound, and touch and feel to keep their minds and bodies engaged. WiseTOT structures are loaded with shapes, colors, and moving parts to provide endless amounts of entertainment.

WisePlay Theme

WisePLAY Theme uses themed based play components that give you the opportunity to create playgrounds that mimic components from children's wildest dreams. Our pirate ships, Tree Houses, and Castles transport children to far away lands. Designed with many components for long-lasting fun. With their large supports, broad platforms, and wide array of colors any of the WisePLAY Theme components are a great addition to parks, schools, and communities. The time tested materials sourced form and combined with the skilled craftsmanship at the factory, this equipment is durable and requires less maintenance over time.

WisePLAY Theme structures are built with 3.5" posts instead of 5" posts, which allows the structure to be lighter, and more versatile. Without sacrificing features such as safety or durability, we accommodate getting you a high quality playgrounds packed full of activities.

WiseTOT
Lean On Me Series

The WiseTOT Lean On Me Series was developed to let children release their passion for adventure in a safe environment and cultivate the learning ability to not be afraid of challenges. WiseTOT Imagination City playgrounds are part of the Lean On Me series, which integrates equipment that will keep the imagination going, along with special sensory integration that helps promote the balanced development of children's gross motor abilities and overall sensory abilities.

Imagination City provides the smaller children an option to explore their surroundings more autonomously and with interesting activities. Featuring sensory elements like sight, sound and touch, keeps their minds and bodies engaged. WiseTOT structures are loaded with shapes, colors, and moving parts to provide endless amounts of entertainment. Wisdom's variety of activities comprehensively develop children's different abilities.
